FROM THE DESK

Dear all

Greetings from IIM Kashipur FIED

Entrepreneurship is never an easy path for any individual to take. Seeking out a path for oneself – a road not traveled often is certainly not the most secure option. However, society is built upon disruptive start-ups that have changed our perspectives time and again. The Indian Institute of Management Kashipur embodies this spirit of disruption, and our focus has always been on helping budding entrepreneurs to become business leaders.

Our Incubation Centre - IIM Kashipur Foundation of Innovation and Entrepreneurship Development (FIED) has been playing an instrumental role in establishing an entrepreneurship ecosystem in Uttarakhand. Right from the inception of the idea to the stage of exponential growth, FIED facilitates every step in the journey of start-ups. Few entities achieved and contributed so much as FIED has in the course in just four years, and our growth plans have everyone waiting in anticipation for what lies ahead. Importantly, FIED's growth also leaves a lasting impact on the students of IIM Kashipur who proudly proclaim themselves to be a part of an entrepreneurial hub and be emboldened to pursue their entrepreneurial plans. Over the year, FIED plans to further the reach of entrepreneurship to all sections of the society.

With this, I welcome all the potential stakeholders to collaborate with FIED in its journey to become one of the biggest incubation centers in India.

Thank You.

KULBHUSHAN BALOONI
Professor and Director, IIM Kashipur

Dear all

Greetings from IIM Kashipur FIED

Welcome to IIM Kashipur FIED! Our incubation centre, run with the support and guidance of the Department of Science and Technology, the Ministry of Agriculture and Farmer's Welfare, and the Government of Uttarakhand, has come a long way in a short timespan! It has been four exciting years for FIED. We built a team of ten passionate employees in our centre and have been able to develop a state-of-the-art infrastructure in the centre to facilitate entrepreneurship and creativity.

We have trained more than a thousand entrepreneurs all these years, but this is just the beginning. The ultimate goal of the centre is to blend traditional methods with new creative ideas and bring forth new products and services that transform Uttarakhand. We are indeed fortunate to move forward in our mission to create and foster an ecosystem in Uttarakhand which will not only assist start-ups, but also generate avenues for employment and national growth.

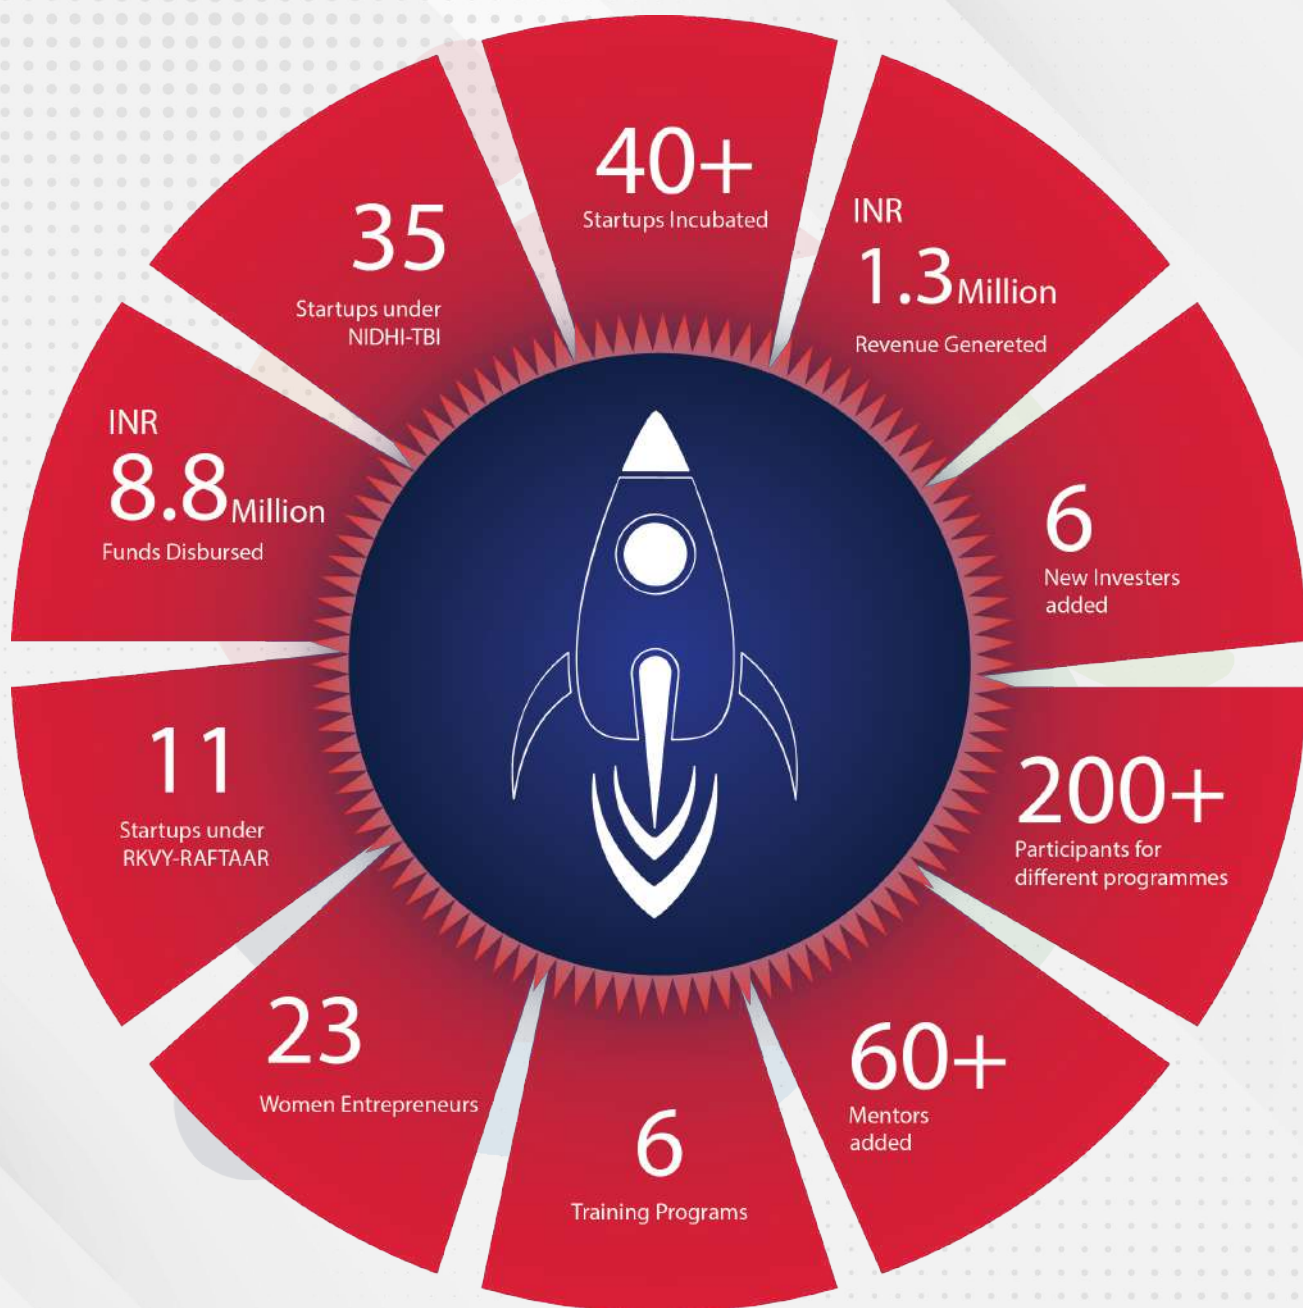

On behalf of the entire FIED faculty, staff, and eCell student body, I sincerely thank all our stakeholders for helping us at every stage of the incubation program.

Thank You.

ABOUT FIED

ABOUT

BACKGROUND

Foundation for Innovation & Entrepreneurship Development (FIED), the incubation center of IIM Kashipur, a Section 8 Company, has been instrumental in creating an ecosystem of innovation and entrepreneurship in Uttarakhand. FIED is built in an area of 20000 sq. ft., running projects of the Department of Science and Technology; and the Ministry of Agriculture and Farmers' Welfare. FIED is channelizing its efforts majorly in Agriculture Technology and Agri-entrepreneurship but also working in the domains of Tourism, Education, and Sustainable Technologies.

LOCATION

FIED operates within the IIM Kashipur campus. Spread over 200 acres, the host institute is located in the Kashipur city of the Udham Singh Nagar district (Uttarakhand). Situated in one of the most densely industrialized regions, Kashipur offers numerous avenues for starting up and entrepreneurship.

ENTITY

FIED is a separate unit and is headed by its management team which is responsible for the execution of the tasks and responsibilities. The management team is guided by the Operations Committee composed of eminent professors from IIM Kashipur.

COMMITTEE

FIED has 10 employees stationed in the FIED Office on the second floor of the Academic Vihara of IIM Kashipur. Apart from these employees, FIED has 60 mentors to offer mentoring sessions to startups incubated at FIED; 31 investors to invest in the startups; 12 impaneled agencies to offer service's such as videography, designing, etc. to FIED and startups.

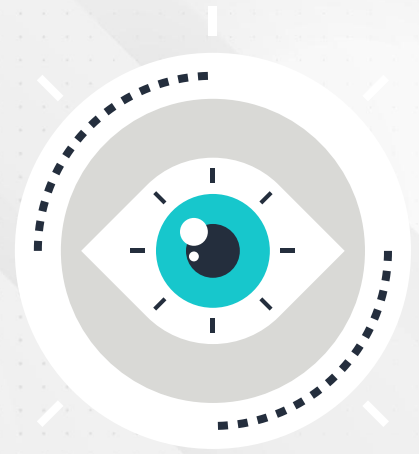

MISSION

To nurture and strengthen the entrepreneurship ecosystem of Uttarakhand.

CORE VALUES :

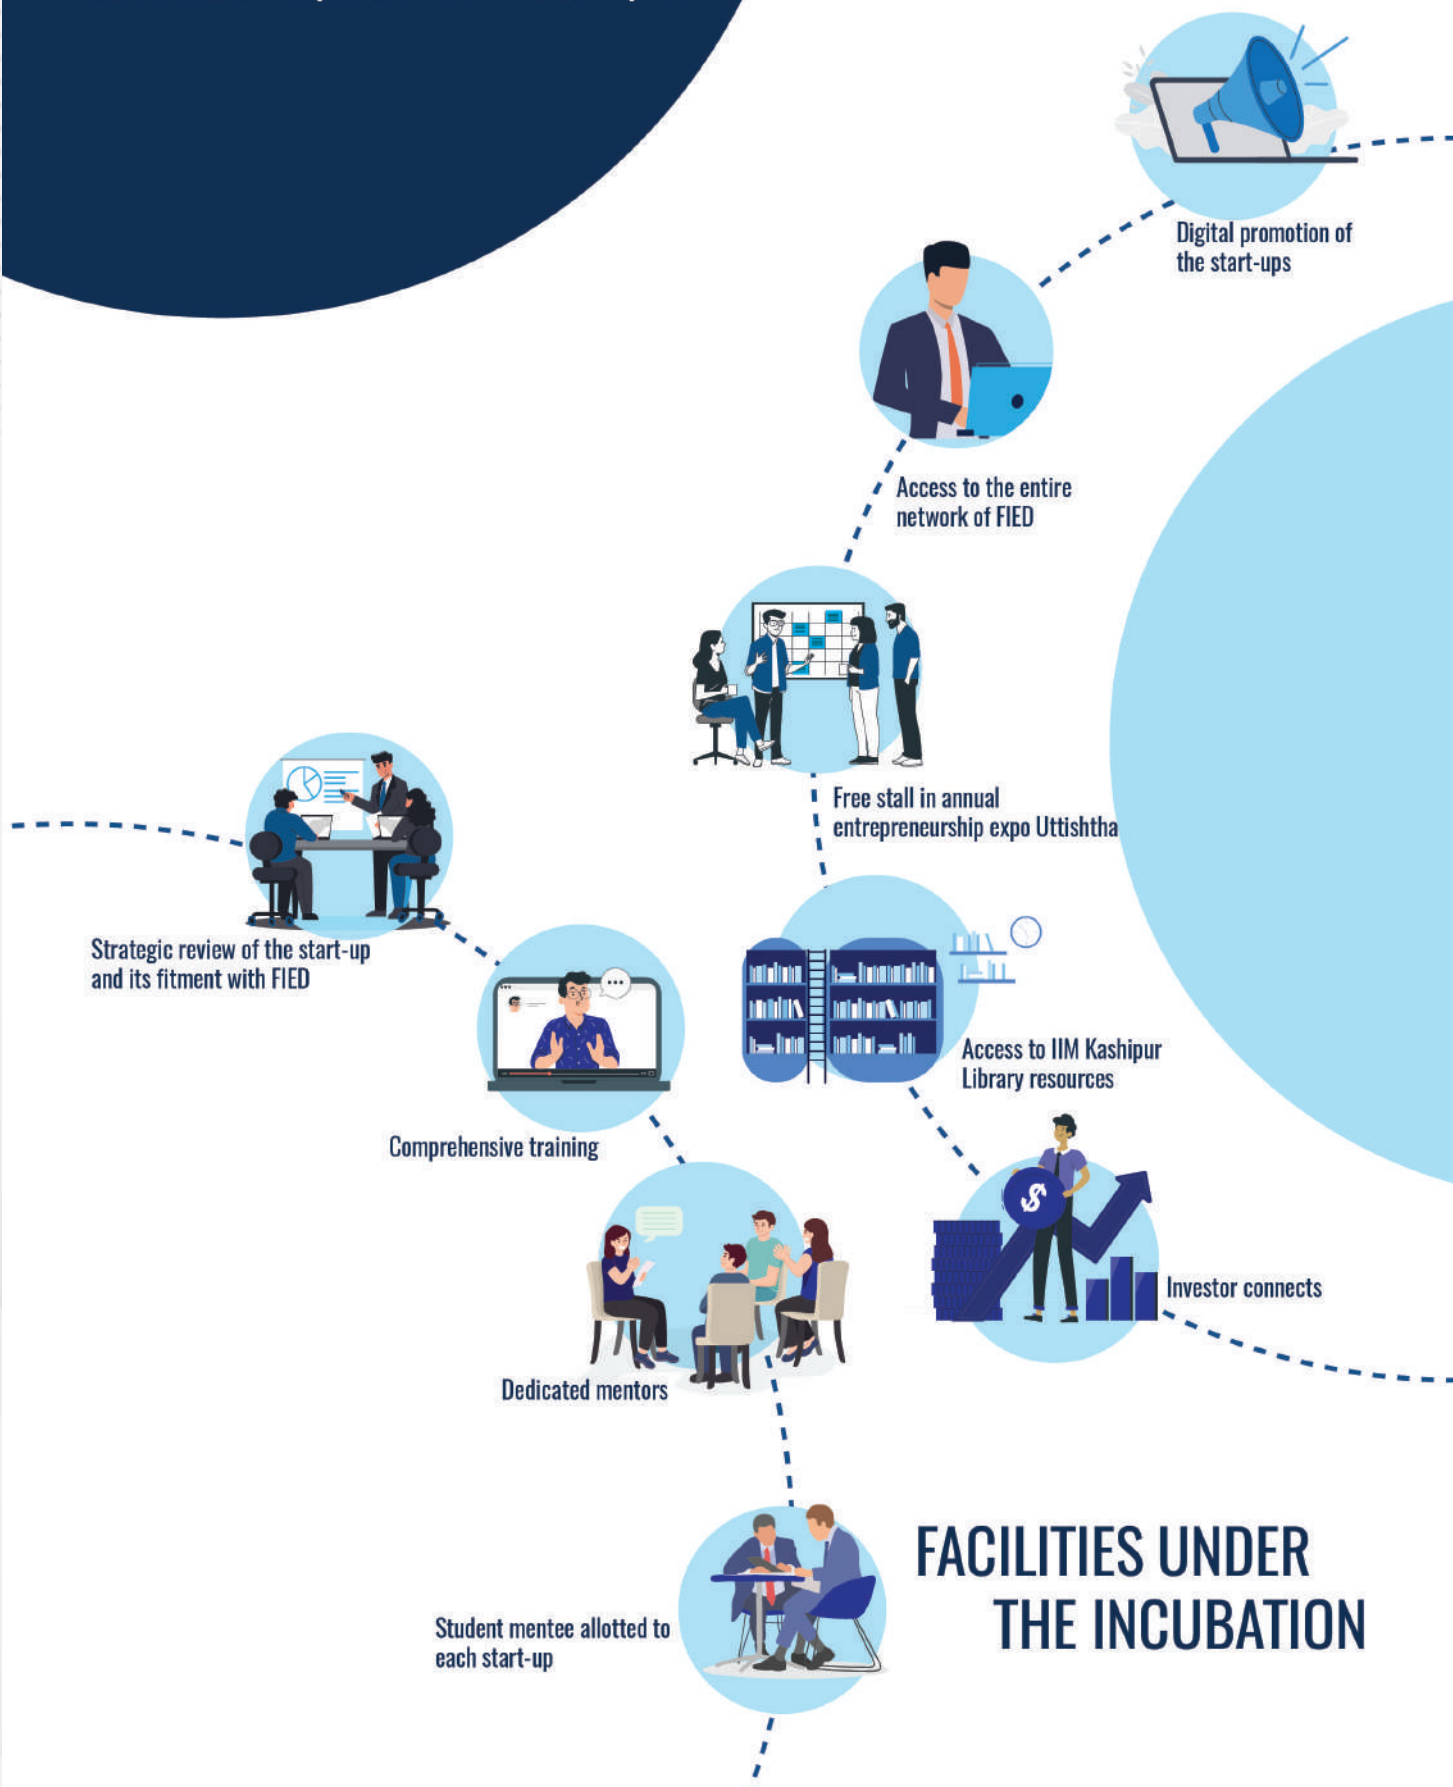

We will engage in only those activities which

- Strengthen the sustainability of the centre.
- Offer learning and growth for the employees.
- Facilitate risk-taking and innovation among start-ups.
- Do not compromise the integrity of any stakeholders.

INCUBATION OFFERING

FIED provides state-of-the-art incubation facilities in the premises of IIM Kashipur.

PROGRAMMES

SAHAS 3.0

IIM Kashipur FIED launched the pre-seed Agripreneurship Orientation Program (AOP), named Sahas, under the Rashtriya Krishi Vikas Yojana Remunerative Approaches for Agriculture and Allied Sector Rejuvenation (RKVY-RAFTAAR) in April 2020 amid the chaos caused by the Covid 19 pandemic. The central lockdown across the country due to the pandemic caused many fledgling startups to shut down. From March 2021-March 2022, RABI (RKVY- RAFTAAR) has helped a total of 11 startups in raising funds of ₹ 1.59 crore. Under the Sahas program four pre-seed stage startups went through a complex and strenuous process to receive a total of ₹ 20 lacs.

FIED received a total of 440 applications by the end of July 2021. The first round of selection ensured entry for serious applicants and their startups. FIED, as a RKVY RAFTAAR Agri-Business Incubator (RABI), conducted its RABI Incubation Committee (RIC) selection to choose the final list of startups that would attend the two months training program at FIED IIM Kashipur. The RIC met the startups over the Zoom platform and shortlisted 13 startups for the training program. The Sahas training program started on 1st October 2021. The Sahas training program was aimed to make the entrepreneurs aware of the general business aspects. FIED conducted and completed the second round of Interviews through RIC by the end of November. A total of eight startups were selected to represent FIED before the Central Incubation Committee (CIC) for the final funding pitching session for funds up to ₹ 5 Lakhs from the Ministry of Agriculture and Farmers' Welfare. The final round of interviews before the CIC was held on 6th Jan 2022. Eight startups from FIED

pitched for their products and in the end, four startups were finally selected to receive funds from the Ministry of Agriculture and Farmer's Welfare.

WORDS WITH WOMEN ENTREPRENEURS (W3E)

FIED conducted a first-of-its-kind one-week training program from 23rd — 28th August 2021 to promote women entrepreneurs and startups led by them. The concept of W3E was to encourage and support established as well as ambitious women entrepreneurs all across India. The W3E training program was supported by the Department of Science and Technology which assisted in establishing collaborations with all the stakeholders and brought them on a single platform that

lifted the women-led startups and women entrepreneurs. It also enabled sharing of best practices amongst women entrepreneurs and amplified the evidence-based growth strategies. The W3E assisted women-led startups to build a better Startup ecosystem, offering incubation opportunities and helping them raise funds from government and private investors.

From all across India, more than 900+ Women participants showed their interest in participating in the training program. After a challenging process, 200+ participants were shortlisted based on the information provided in the registration form. Finally, 120+ Entrepreneurs were selected and trained through a structured program of one week.

DRISHTI 2.0

Drishti is a flagship programme launched by the IIM Kashipur FIED with the support of the Department of Science and Technology in “2020”. The program aimed to incubate technology startups in FIED.

Drishti 2.0, was conducted from 15th November 2021 to 15th December 2021, an incubation program covered under the Department of Science and Technology, Govt. of India. This program allowed startups with prototypes to scale, so as to get market ready and commercialize. The program supported two types of startups: ones that have completed prototypes and are now looking for pilot runs and others that have their final product ready and are looking for commercialization. FIED received a total of 423 applications from all across India and selected a total of 35 startups for incubation.

VRIDHI

Foundation for Innovation and Entrepreneurship Development (FIED) organized a workshop on International Women's Day (8th March 2022) to celebrate the tremendous efforts of women in shaping an equitable ecosystem of entrepreneurship. The workshop was aided by the Department of Science & Technology, GOI, and aimed to promote and provide a platform for women from diverse backgrounds. As the campaign's theme for International Women's Day 2022 was #BreakTheBias, FIED also contributed towards awareness-raising via sessions and activities that helped elevate the visibility of women creatives and empower them to accelerate their development.

- Aspiring women entrepreneurs and women associated with SHGs (Self-help groups) from Kashipur, Jaspur, Haldwani and nearby regions graced the event with their enthusiastic participation.
- Professors of IIM Kashipur interacted with their inspiring words and encouraged the participants to explore opportunities in the field of entrepreneurship.
- Informative and interactive sessions were taken by Professors on the basics of entrepreneurship, leadership, work-life balance, and other aspects of management.
- Experts assisted the women participants to gain insights about business opportunities with the help of real-life examples and discussions based on their stories.
- The event 'VRIDHI' provided a platform to highlight the problems that are faced by aspiring women entrepreneurs and

women associated with SHGs (Self-help groups) and offered Probable solutions.

- Through the VRIDHI Exhibition aspiring women entrepreneurs and women associated with SHGs (Self-help groups) also got the chance to showcase their products such as-organic ghee, handmade chocolates, eco-friendly Holi colours, natural phenyl and other organic products in front of the IIM audience.

UTTISHTHA 22

E-Cell and IIM Kashipur FIED hosted the sixth edition of annual flagship entrepreneurship summit Uttishtha, the flagship event from 21st -23rd January 2022. Uttishtha hosted all the events virtually, owing to the pandemic situation, to facilitate the exchange of ideas and innovation, engage budding entrepreneurs and bright minds, and provide a plethora of opportunities for youth. E-Cell kickstarted the summit two days prior with workshops on Business Plan pitching by Ms. Priyanka Madnani, Founder of Easy to Pitch and Business Marketing by Mr. Gunjan Solanki, Founder of Marketing Weekly for Summit Participants.

The first day of Uttishtha was inaugurated by our esteemed Director Prof. Kulbhushan Balooni and was graced by the chief guest Shri A.P. Das, Chief General Manager, NABARD Uttarakhand, who stated that a robust appraisal system for startup funding is required. Mr. Sudhir Chandra Nautiyal, Director Industries, Government of Uttarakhand graced the event with his presence as Guest of Honour.

The day went with two power packed panel discussions on the topics “Startup Imbalance: High Fundings vs Low Revenues” and, “Are Indian Startups hungry for funding?”. The first panel comprised of Mr. Subhadeep Sanyal, Omnivore (Moderator), Mr. Mahavir Sharma, TiE India Angels, Mr. Anil Joshi, Unicorn India Ventures and Mr. Shashank Randev, 100x VC. The second panel included Mr. Uday Chatterjee, Angel Investor (Moderator), Mr. Hari Balasubramanian, Angel Investor, Mr. Dhianu Das, Agility Ventures and Mr. Amit Singal, Fluid Ventures.

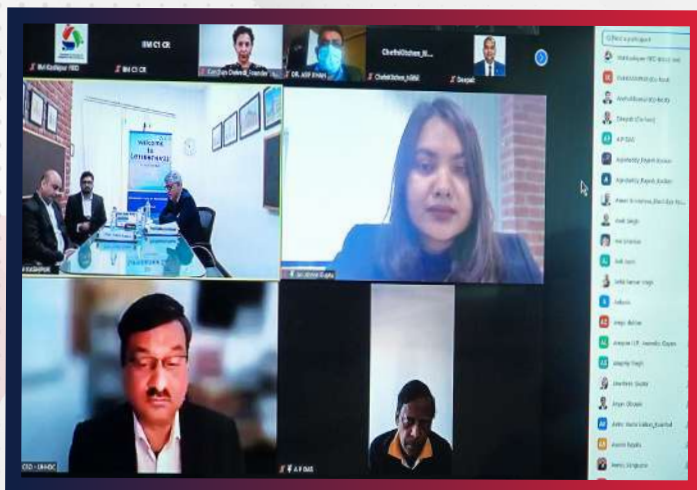

The panel discussion was then started by Mr. Subhadeep Sanyal, who discussed the startup imbalance of high funding and low revenues. Mr. Anil Joshi shared his thoughts on how to approach the idea of entrepreneurship is plentiful and money dependency is no longer an issue. Mr. Shashank Randev stressed the significance of technology in the development of any successful business. He also discussed Tier 2 and Tier 3 cities, as well as how the concept of reverse migration can be beneficial in these situations.

 **UTTISHTHA'22**
Annual Entrepreneurship Summit

The second day of Uttishtha was jam-packed with Inter-College events, in which top teams from B-Schools across the country competed in front of a distinguished panel of judges. **Mr. Neeraj Bansal**, Global Head of Services, Wingcopter; **Mr. Sadanand Gupta**, Senior VP, Grasim Industries; and **Ms. Priyanka Madnani**, CEO, Easy to Pitch.

Quizophile, a national entrepreneurship competition, was also held. Pramash – Case Study by Lamamia, in which the top eight team presented to the Jury panel, which included Mr. Sarvesh Verma, founder, Lamamia, Ms. Saundarya Katiyar, Co-founder, Lamamia and Mr. Ajinkya Chopade, Entrepreneur.

Overall, the event witnessed the enthusiastic participation of more than 2500 students and budding entrepreneurs who made the event a success and benefitted from the opportunity of showcasing their ideas to investors and learning from the expertise of industry leaders.

E-CELL

E-Cell, managed and run by the students of IIM Kashipur is the catalyst of Entrepreneurial thinking in the institute. E-Cell ensure their colleagues become the torchbearers in the Entrepreneurship ecosystem! E-Cell is neither restricted by boundaries nor by imagination. E-Cell prioritize cultivating a culture of Entrepreneurship and Entrepreneurial thinking throughout the years. E-Cell believe that ***Entrepreneurship is Unstoppable, and We are Unstoppable!***

IIM Kashipur is one of the few IIMs with a dedicated Entrepreneurship Cell fostering an Entrepreneurial culture on campus.

2021—2030 is the decade of Entrepreneurship...

IIM Kashipur is driving the growth of the entrepreneurial ecosystem in North India, particularly for agribusinesses. E-Cell and FIED collaborate closely on this.

LEISURE TIME @ FIED

"In this game, everyone needs a break to refuel, recharge, and jump back in full throttle." — Helen Edwards, author

To maintain a healthy work/life balance and prevent work-related stress and burnout, FIED encourages staff to take some time off. The staff and the incubated startups explored multiple locations of Uttarakhand collectively. This kind of outing fosters team ties while also enhancing productivity, attention, and clarity in the workplace.

आईआईएम के सक्षम और साहस प्रोग्राम से उत्तराखंड में स्टार्टअप को मिलेगी उड़ान

कुंदन बिष्ट

काशीपुर। आईआईएम में तीन अगस्त से सक्षम और साहस निशुल्क प्रशिक्षण शुरू होने वाला है। इसके लिए अब तक 125 आवेदन आ चुके हैं। खास बात यह है कि इस ट्रेनिंग प्रोग्राम के लिए उत्तराखंड से भी लोगों ने स्टार्टअप ट्रेनिंग प्रोग्राम के लिए आवेदन किया है।

आईआईएम ने पर्वतीय क्षेत्र के लोगों को लघु उद्योग लगाने को प्रेरित करने के उद्देश्य से सक्षम और साहस स्टार्टअप ट्रेनिंग प्रोग्राम शुरू किया है। इसमें

दोनों ट्रेनिंग प्रोग्राम के लिए चयनित होंगे 60 लोग, तीन अगस्त से शुरू होगा ट्रेनिंग प्रोग्राम

पर्वतीय क्षेत्र समेत अन्य क्षेत्र के किसी भी व्यक्ति में कोई तकनीकी ज्ञान है या फिर वह स्वयं अपने क्षेत्र में लघु उद्योग खोलने का इच्छुक है तो उसे आईआईएम इन ट्रेनिंग कार्यक्रमों के माध्यम से ट्रेनिंग देगा।

आईआईएम के फीड और भारत सरकार के डिपार्टमेंट ऑफ साईंस

टेक्नोलॉजी के संयुक्त प्रयास से इस कार्यक्रम का आयोजन होगा। फीड के सीईओ शिवेन ने बताया कि दोनों ट्रेनिंग प्रोग्राम के लिए कृषि से संबंधित 651 आवेदन आए थे।

सक्षम के लिए 365 में से 65 और साहस के लिए 286 में से 60 का चयन किया गया है। 7, 8, 9, 10 जुलाई को इन 125 लोगों के ऑनलाइन इंटरव्यू लिए जाएंगे। इसके बाद दोनों प्रोग्रामों के लिए करीब 60 लोगों का चयन किया जाएगा।

ये ट्रेनिंग प्रोग्राम 3 अगस्त से लेकर

30 सितंबर तक होंगे। लोगों को ऑनलाइन ट्रेनिंग दी जाएगी। आवश्यकता पड़ने पर ट्रेनिंग के आखिरी हफ्ते में उन्हें आईआईएम संस्थान में बुलाया भी जा सकता है।

शिवेन ने बताया कि ट्रेनिंग प्रोग्राम में सबसे अधिक उत्तराखंड, तमिलनाडु, महाराष्ट्र, कर्नाटक व उड़ीसा राज्यों से आवेदन आए हैं।

इसके अलावा पंजाब व छत्तीसगढ़ से भी आवेदन आए हैं। उन्होंने बताया कि ट्रेनिंग का कोर्स करने वाले में कोई फीस नहीं ली जाएगी।

आत्मनिर्भर भारत का सपना पूरा करने के लिए स्टार्टअप बेहतरनी माध्यम है। यह अच्छी बात है कि सरकार ने आम वजेट में स्टार्टअप को भी ध्यान में रखा। स्टार्टअप में टैक्स में छूट देने को पहल से स्टार्टअप को और बढ़ावा मिलेगा। यह सरकार का प्राथमिक फायदा है।
